### **2002 BAMBINO GRANDE**

This is the seventh year we've made this blend which is named for our mother's father, Bambino Diorio. This Super-Tuscan is a proprietary blend, but is primarily Sangiovese. The 2002 vintage is particularly well-rounded and complex. At this time, it is young in the bottle, showing good acidity.

Please let it breathe several hours, or let it bottle age 2 to 3 months longer. It will age well, as the 1995 is still delicious, and the 1999 has much more aging potential. Bambino pairs well with just about any food we are apt to eat.
