

Fratelli Perata Winery

2003 Tre Sorelle

Our first Bordeaux blend, named for our three daughters, the 1997 Tre Sorelle is amazingly 10 years old. How time flies. Now that our daughters are “old” and not all here to help with our day to day wine production, we are reminded just how valuable they really have been to our winery's operation.

From playing with Barbie dolls and toy trucks in the vineyard, to growing up alongside our vines, to learning by doing most vineyard and winery chores, these young ladies have all made an invaluable contribution to the development of our winery. And not by just the work done, but by helping maintain the heart of the winery, as a family tradition and legacy. Their great-grandfather in Italy would have been proud.
